Regina Gouger Miller Gallery, Purnell Center
"Nakashima Revealed: The Carnegie Mellon Collection," an exhibition of George Nakashima furniture as well as "Dee Briggs Works" an exhibition of sculpture from Dee Briggs. Exhibit runs through Sunday October 21st.

Fall Activities Fair
Wednesday, September 5, 4:30 - 6:30 PM
CFA Lawn (Rain Location: Weigand Gym, University Center)
Get a jump-start for your organization for the 2007–2008 academic year by showcasing your group, recruiting interested students, and publicizing your spring calendar of events! Register your organization at www.studentaffairs.cmu.edu/StudentActivities/ActivitiesFair.

Planning your Job Search
Thursday, September 6, 4:30 - 5:30 PM
Rangos 3, University Center
Regardless of the current job market, students seeking employment must be prepared to identify and use all applicable resources and strategies. This workshop will discuss the basic information needed to launch a productive job or internship search.

Contact your Career Center Consultant, Sonjala Allen, at sonjala@andrew.cmu.edu for more information.

Sophomore Brunch
Sunday, September 9, 12:00 PM
Rangos 1, 2, 3, University Center
Reserve your spot at the Second Year Council Sophomore Brunch by visiting their website at www.studentaffairs.cmu.edu/events/syc.
The dress code is business casual and the keynote speaker will be Richard Creech (CIT '84), Principal, Creech Engineering.

JOB POSTINGS

ECKLES Architecture and Engineering is a 50-person architecture & engineering firm in New Castle, PA (about an hour north of the city). Eckles is receptive to the employment of summer interns but and are actively seeking young graduate architects. The firm, run by Cassandra R. Renninger (A'95) specializes in school design and provides a wonderful opportunity for motivated young architects to get real hands on experience, mentorship & responsibility. Cassandra may be contacted at 724-652-5507 ext. 1128 or by emailing crr@EcklesGroup.com.

The Discovery Channel is looking for people from a wide variety of career fields who would be interested in being a host on the new show, "Hidden Cities" and the alumni, faculty and staff of Carnegie Mellon School of Architecture could be perfect for what we need. We're looking for anyone who is involved in the field of infrastructure; architects, civil engineers, contractors or urban planners, etc... We would also like to meet any professors, teachers or people who are simply passionate about these topics. We don't need an expert in every area, just someone who loves what they do. We want to meet all types of people--any age, race, ethnicity, or gender. If interested, please contact Alissa Haight Carlton, "Hidden Cities" Casting Producer, at 323-284-5162 or hiddencitiescasting@yahoo.com.

Walter Sedovic Architects, located on the Hudson River in Irvington, NY, is dedicated to historic preservation, planning & sustainable design. We strive for a balanced integration of technology and tradition, and we have pioneered the integration of sustainable design practices into all preservation projects, enhancing the intrinsic qualities of heritage sites. We have Entry Level, Production, Project Architect and temporary positions available. Applicants must be proficient in AutoCad, Photoshop and hand renderings. Also, must be motivated toward process, exploration and getting things finished with consistent high quality. Please e-mail your resume and a cover letter to wsa@modernruins.com
